

Katholisches Studentenhaus: Student residence

- Short information in English-

Katholisches Studentenhaus offers subsidized accommodation for 70 students regardless of their nationality, religion or sex and is located close to University and City Centre. We offer a good atmosphere and infrastructure to live and to learn and our intention is to promote social and cultural exchange, participation and personal responsibility, in the floor or with events in the house. Please apply only when you feel up to a socializing living in a flat share and making active efforts to a good atmosphere. The Catholic University Chaplaincy (kug) is located in the house as well.

Rooms and infrastructure

The rooms at least ca. 12 m², furnished with bed, mattress, wardrobe, shelf, desk, office chair, wash basin with warm and cold water, wired internet access, ceiling lamp, curtains. If you cannot bring your bedding, you can rent it for CHF 100 per semester. Shower, toilet and kitchen are on the floor. The kitchen has full equipment, you do not have to bring your own staff. In the two washhouses you can do the laundry yourself. There are some common rooms as a cafeteria, TV-room, music room, reading room, party room, a small garden and roof terrace.

Monthly rent

The monthly rent for students ranges between CHF 440 and CHF 640, it depends on the size of the room. When you move in you have to pay CHF 300.-, which includes a end cleaning tax of CHF 120 and deposit of CHF 180.-

The monthly rent for phd-students and student trainees are on request.

Application

If you want to apply, you can fill out and send the application form, you find it on our website <http://www.studentenhaus.ch/Anmeldung.22.0.html>

We do not have a chronological waiting list. We decide on the basis of the application and try to have a balance between female and male students, of fields of study and nationalities.

We have much more applications than rooms. Your application is not a guarantee to rent a room.

Language

As we are not a hotel but a living community, a sufficient knowledge of the German language is absolutely necessary. At least you have to organize yourself the translation of the communication in the house.
